

Welcome to Resolve Training Services

“We aim to provide the best possible learning experience to enhance personal development and maximise staff confidence & performance.”

Modules – Emergency First Aid At Work (3 day)

- The workplace can often be a very dangerous place with many actual and potential hazards. Resolve Training services deliver multiple different courses, which will give individuals the confidence to put newly gained skills into practice.
- Our 3 day course will provide learners with the essential range of basic first aid skills & knowledge.
- Emergency first aid course is ideally suited to lower-risk workplace environments where risk assessments have been identified, and there is a need for first aid skills & knowledge.
